

Dear all,

We have placed our bidding with great satisfaction to EUSA for organizing the 2013 European Universities Volleyball Championship because we believe that we have the capabilities to organize a championship that will be a watershed in the history of the European Universities Championships.

We have made sure that the contests will take place at the finest sports centers of Cyprus, which are, the “University of Cyprus Athletic Center” and the “Tasos Papadopoulos Eleftheria Athletic Center”.

For accommodation and nutrition we have made sure to retain one of the best hotels in Nicosia, the “Hilton Park” and during free day which is on Thursday 27th of June, visit to one of the best beaches of the island in Protaras.

In our efforts we will have the support of the University of Cyprus, the Cyprus Volleyball Federation, the Cyprus Olympic Committee and the Cyprus Sports Organization.

Friendly,

Dr. Michalis Krashias
President of Organizing Committee
